

Breakfast with Santa

Help Us Make “Breakfast with Santa” a Joyful Tradition for Our Clients and Their Families

It's the most wonderful time of the year!
For many of our clients at Alpine Springs, however, the holiday season can be bittersweet as they work toward recovery while being apart from their loved ones. That's why we are honored to continue one of our most cherished traditions — Breakfast with Santa an event designed to bring families together, spread joy, and create lasting memories during the holiday season.

A Saturday Morning Tradition

Each December, clients and their families gather at the beautifully decorated Gibson House Manor in Jamestown, Pennsylvania, which transforms into a Christmas wonderland for the morning. The day is filled with holiday spirit and includes:

- A delicious breakfast catered by The Gibson House Manor
- A festive, family-friendly atmosphere with crafts, treats, and holiday music
- Special “Santa Sacs” filled with gifts personally chosen for each child from their wish list
- A heartfelt visit from Santa Claus himself, who delivers gifts to every child and client
- A special Christmas morning gift bag for each client to open on Christmas Day

This event means so much to our clients and their families. For many, it represents a moment of connection, hope, and love during a challenging time. It reminds them that they are not alone and that their community stands beside them on their journey to sobriety and healing.
